ENGINEER'S REPORT

PREPARED FOR:

BOARD OF SUPERVISORS
DEL WEBB SUNCHASE COMMUNITY DEVELOPMENT DISTRICT

ENGINEER:

November 2024

DEL WEBB SUNCHASE COMMUNITY DEVELOPMENT DISTRICT

ENGINEER'S REPORT

1. INTRODUCTION

The purpose of this report is to provide a description of the capital improvement plan ("CIP") and estimated costs of the CIP, for the Del Webb Sunchase Community Development District ("District"). The District is a unit of special-purpose government organized and existing in accordance with Chapter 190, Florida Statutes, as amended created by Ordinance 24-80, enacted by the Board of County Commissioners of Manatee County, Florida, effective September 25, 2024.

2. GENERAL SITE DESCRIPTION

The District consists of approximately 140.646 acres located within a larger planned development of 427 acres of land (the "Development") and is located entirely within Manatee County, Florida. Phase I of the development and the initially established phase of the District will consist of 141± Acres and 349 single family lots. It is anticipated Phases II and III will be included within the District boundaries in the future by a boundary amendment and the Board of County Commissioners of Manatee County, Florida adoption of an ordinance amending Ordinance 24-80. The site is generally located north of SR 62, east of Spencer Parrish Road, and west Ranch Oak Parkway (FKA Keen Road).

3. PROPOSED CAPITAL IMPROVEMENT PLAN

The CIP is intended to provide public infrastructure improvements for the entire Development. Only costs associated with the current boundary of the District, as may be amended, will be provided by the District. The following chart shows the planned product types for the District:

PRODUCT TYPES

Lot Count Table				
Phase	40' Lot	50' Lot	64' Lot	Total
I	97	160	92	349
II	81	146	85	312
III	86	171	85	342
Total	264	477	262	1003

*Phases II & III are future lot counts and subject to change based on final design.

The public infrastructure for the project is as follows:

Roadway Improvements:

The developer will construct some offsite roadway improvements to existing public roads to provide access to the community. The offsite improvements will be owned and maintained by Manatee County. All roads within the District will be 2-lane un-divided roads except for the community entrance roads. Such roads include the roadway asphalt, base, and subgrade, roadway curb and gutter, striping and signage and sidewalks within rights-of-way abutting non-lot lands. Sidewalks abutting lots will be constructed by the homebuilders. All roads will be designed in accordance with applicable design requirements.

Pulte Home Company, LLC as the developer, intends to finance the internal roads, gate them, and turn them over to a homeowner's association for ownership, operation and maintenance. As a result, the roads are not part of the District's CIP, and the District will be limited to financing and/or own, operate and maintain only utilities and stormwater improvements behind such gated areas.

Stormwater Management System:

The stormwater collection and outfall system are a combination of roadway curbs, curb inlets, drainage pipe, control structures and open lakes designed to treat and attenuate stormwater runoff from District lands. The stormwater system will be designed consistent with the applicable design requirements for stormwater/floodplain management systems. The District will finance, own, operate and maintain the stormwater system.

NOTE: No earthwork or transportation costs used to developed private lots are included in the CIP.

Water and Wastewater Utilities:

As part of the CIP, the District intends to construct and/or acquire water, wastewater and reclaim infrastructure. In particular, the on-site water supply improvements include water mains that will be located within rights-of-way and used for potable water service and fire protection, as well as reclaim utility lines also within rights-of-way and used for irrigation purposes. Wastewater improvements for the project will include an onsite gravity collection system, offsite and onsite force main and onsite a lift station.

The water, wastewater collection, and reclaimed systems for all phases will be constructed and/or acquired by the District and then dedicated to a local, public utility provider for operation and maintenance. The CIP will only include laterals to the lot lines (i.e., point of connection).

Perimeter Hardscape, Landscape, and Irrigation:

The District will construct and/or install landscaping, irrigation and hardscaping outside of any gated areas. The project will at a minimum meet or exceed any local design requirements.

All such perimeter landscaping, irrigation and hardscaping will be owned, maintained and funded by the District. Such infrastructure, to the extent that it is located in rights-of-way outside of the boundaries of the district and owned by a local general-purpose government, will be maintained pursuant to a right-of-way agreement or permit. Any landscaping, irrigation or hardscaping systems located within gated areas would not be financed by the District and instead would be privately installed and maintained.

Streetlights / Undergrounding of Electrical Utility Lines

The District intends to lease streetlights through an agreement with a local utility provider and will fund the streetlights through an annual operations and maintenance assessment. As such, streetlights are not included as part of the CIP.

The CIP does however include the incremental cost of undergrounding of electrical utility lines within right-of-way utility easements throughout the community. Any lines and transformers located in such areas would be owned by the local utility provider and not paid for by the District as part of the CIP.

Recreational Amenities:

As part of the overall development, the Developer may privately fund a recreational clubhouse and other amenities, and, upon completion, transfer them to a homeowners' association for ownership, operation and maintenance. Any such amenities are considered common elements for the exclusive benefit of the landowners.

Environmental Conservation/Mitigation

The District will own and maintain existing, onsite conservation areas.

Off-Site Improvements

Offsite improvements include utilities extensions along SR 62, the extension of Ranch Oak Parkway (FKA Keen Road), as well as intersection improvements to SR 62 and Ranch Oak Parkway.

Professional Services

The CIP also includes various professional services. These include: (i) engineering, surveying and architectural fees, (ii) permitting and plan review costs, and (iii) development/construction management services fees that are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

4. PERMITTING/CONSTRUCTION COMMENCEMENT

All necessary permits for the construction of the CIP have either been obtained or are currently under review by respective governmental authorities, and include the following:

Phases	# Units	Zoning	FDEP	Manatee County Construction Permits	SWFWMD	Anticipated Start of Construction	Anticipated Completion of Construction
Phases I-A, I-B, I-C	349	Yes	7/3/2024	12/14/2023	12/14/2023	Underway	Q2 2025
*Future Phases	654	Yes	-	-	-	Q2 2025	Q2 2028
*There will be two additional phases and construction phases for the future expansion parcels.							

5. CIP COST ESTIMATE / MAINTENANCE RESPONSIBILITIES

The table below presents, among other things, a cost estimate for the CIP. It is our professional opinion that the costs set forth below are reasonable and consistent with market pricing.

- The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- The developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner's or homeowner's association, in which case such items would not be part of the CIP.
- The District may enter into an agreement with a third-party, or an applicable property owner's or homeowner's association, to maintain any District-owned improvements, subject to the approval of the District's bond counsel.

6. CONCLUSIONS

The CIP will be designed in accordance with current governmental regulations and requirements. The CIP will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

- the estimated cost to the CIP as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- All of the improvements comprising the CIP are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- the CIP is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the CIP, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within the District will receive a special benefit from the CIP that is at least equal to such costs.

Also, the CIP will constitute a system of improvements that will provide benefits, both special and peculiar to all lands within the District. The general public, property owners outside of the district, and property outside the District will benefit from the provisions of the District's CIP; however, these are incidental to the District's CIP, which is designed solely to provide special benefits peculiar to property within the District. Special and peculiar benefits accrue to property within the District and enables properties within its boundaries to be developed.

The CIP will be owned by the District or other governmental units and such CIP is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the CIP is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The CIP, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the cost of the components of the CIP or the fair market value.

Please note that the CIP as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the CIP, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

1.0 Introduction

1.1 Purpose

This Preliminary First Supplemental Special Assessment Methodology Report (the "Preliminary First Supplemental Report") was developed to supplement the Master Special Assessment Methodology Report (the "Master Report") dated November 20, 2024 and to provide a supplemental financing plan and a supplemental special assessment methodology for Phase 1 (hereafter defined) of the Del Webb Sunchase Community Development District (the "District") located entirely within Manatee County, Florida. This Preliminary First Supplemental Report was developed in relation to funding by the District of a portion of the costs of public infrastructure improvements (the "Capital Improvement Plan" or "CIP") contemplated to be provided by the District.

1.2 Scope of the Preliminary First Supplemental Report

This Preliminary First Supplemental Report presents the projections for financing a portion of the District's Capital Improvement Plan described in the Engineer's Report for the Del Webb Sunchase Community Development District prepared by Clearview Land Design, P.L. (the "District Engineer") dated November 2024 (the "Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding of a portion of the CIP.

1.3 Special Benefits and General Benefits

Public infrastructure improvements undertaken and funded by the District as part of the CIP create special benefits for properties within the borders of a portion of the lands within the District known as Phase 1 (herein, "Phase 1") and general benefits for properties outside of Phase 1 and to the public at large. However, as discussed within this Preliminary First Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within the District. The District's CIP enables properties within its boundaries to be developed.

There is no doubt that the general public and owners of property outside of Phase 1 will benefit from the provision of the CIP. However, these benefits are only incidental since the CIP is designed solely to provide special benefits peculiar to property within Phase 1

of the District. Properties outside Phase 1 are not directly served by the CIP and do not depend upon the CIP to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which Phase 1 receives compared to those lying outside of Phase 1.

The CIP will provide public infrastructure improvements which are all necessary in order to make the lands within Phase 1 developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within Phase 1 to increase by more than the sum of the financed cost of the individual components of the CIP. Even though the exact value of the benefits provided by the CIP is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Preliminary First Supplemental Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the CIP as determined by the District Engineer.

Section Four discusses the supplemental financing program for the District.

Section Five discusses the special assessment methodology for Phase 1.

2.0 Development Program

2.1 Overview

The District will serve the Del Webb Sunchase development (the "Development" or "Del Webb Sunchase"), a master planned, residential development located entirely within Manatee County, Florida. The land within the District currently consists of approximately 140.646 +/- acres, while an expansion area and a future parcel would account for an additional 286.354 +/- for a total of 427 +/- acres, and is generally located north of SR 62, east of Spencer Parrish Road, and west Ranch Oak Parkway (FKA Keen Road). Phase 1 accounts for the 140.646 +/- acres and constitutes the lands currently comprising the District.

2.2 The Development Program

The development of Del Webb Sunchase is anticipated to be conducted by Pulte Home Company, LLC or an affiliated entity (the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan envisions a total of 1,003 residential units developed over a multi-year period in one or more development phases, although unit numbers, land use types and phasing may change throughout the development period. Phase 1 is anticipated to account for 349 residential units. Table 1 in the *Appendix* illustrates the development plan within the District.

3.0 The Capital Improvement Plan

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 CIP

The CIP needed to serve Phase 1 is projected to include, without limitation, earthwork, stormwater, roadways & paving, potable water, reclaimed water, sanitary sewer, differential cost of undergrounding electric and landscape/ hardscape, along with contingency and professional costs, is estimated to total approximately \$16,854,274.44, a portion of which will be financed with the proceeds of the herein defined Series 2025 Bonds.

Even though the installation of the improvements that comprise the CIP is projected to occur in multiple stages coinciding with phases of development within the District, the infrastructure improvements that comprise the CIP – including the CIP – will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of the improvements will serve the entire District and the improvements will be interrelated such that they will reinforce one another. As a practical matter, this means that master improvements that are part of the CIP may be financed by the Series 2025 Bonds and/or a future series of bonds.

Table 2 in the *Appendix* illustrates the specific components of the CIP.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. The District anticipates undertaking construction of the site work through a third-party contractor.

The District intends to issue its Special Assessment Bonds, Series 2025 in the estimated principal amount of \$6,385,000* (the "Series 2025 Bonds") to fund an estimated \$5,768,861.88* in CIP costs to be expended serving and supporting the development of Phase 1 units constituting a portion of the CIP, with the balance of the CIP costs anticipated to be contributed by the Developer.

4.2 Types of Bonds Proposed

The proposed supplemental financing plan for the District provides for the issuance of the Series 2025 Bonds in the total estimated principal amount of \$6,385,000* to finance a portion of the CIP costs in the total amount estimated at \$5,768,861.88*, representing the amount of construction proceeds generated from the issuance of the Series 2025 Bonds.

The Series 2025 Bonds as projected under this supplemental financing plan are structured to be amortized in 30 annual installments following an approximate 7-month capitalized interest period. Interest payments on the Series 2025 Bonds would be made every May 1 and November 1, and annual principal payments on the Series 2025 Bonds would be made on either every May 1 or November 1.

In order to finance the CIP, the District would need to borrow funds and incur indebtedness in the total amount estimated at \$6,385,000*. The difference is comprised of funding a debt service reserve, paying capitalized interest, and paying the costs of issuance, including the underwriter's discount. Preliminary sources and uses of funding for the Series 2025 Bonds are presented in Table 3 in the *Appendix* along with the financing assumptions.

* Preliminary, subject to change.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2025 Bonds provides the District with funds necessary to construct/acquire a portion of the CIP. The issuance of the Series 2025 Bonds provides the District with funds necessary to construct/acquire the CIP as outlined in *Section 3.2* and described in more detail by the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to properties within the boundaries of the District which consists of Phase 1 of the Development. General benefits accrue to areas outside of the District and within the District but outside of Phase 1, but are only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing the properties within Phase 1 that derive special and peculiar benefits from the CIP. All properties in Phase 1 receive benefits from the CIP, which properties will be assessed for their fair share of debt issued in order to finance the CIP.

5.2 Benefit Allocation

The current development plan for the Development envisions the development of a total of 1,003 residential units developed over a multi-year period in one or more development phases, although unit numbers, land use types and phasing may change throughout the development period. Phase 1 is anticipated to account for 349 residential units, although unit numbers, land uses and product types may change throughout the development period.

The public infrastructure included in the CIP – including the CIP – will comprise an interrelated system of public infrastructure improvements, which means that all of the improvements will serve in each respective assessment area within the District and such public improvements will be interrelated in such way that, once constructed, they will reinforce each other, and their combined benefit will be greater than the sum of their individual benefits. As a practical matter, this means that public improvements that are part of the CIP and not financed by the Series 2025 Bonds may be constructed by the Developer or funded by a future series of bonds.

As stated previously, the public infrastructure improvements included in the CIP have a logical connection to the special and peculiar benefits received by Phase 1, as without such improvements, the development of such properties within Phase 1 would not be possible. Based upon the connection between the improvements

and the special and peculiar benefits to the designated lands within Phase 1, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the lands within Phase 1 receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the assessment related to the financed cost of constructing Phase 1.

In following the Master Report, this Preliminary First Supplemental Report proposes to allocate the benefit associated with the CIP to the different unit types proposed to be developed within Phase 1 in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within Phase 1 based on the densities of development and the intensities of use of infrastructure, total ERU counts for each unit type, and the share of the benefit received by each unit type.

The rationale behind the different ERU values is supported by the fact that generally and on average units with smaller lot sizes will use and benefit from the improvements which are part of the CIP less than units with larger lot sizes, as, for instance, generally and on average units with smaller lot sizes will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than units with larger lot sizes. As the exact amount of the benefit is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by representatives of different unit types from Phase 1.

Based on the ERU benefit allocation illustrated in Table 4, Table 5 in the *Appendix* presents the allocation of the amount of CIP costs allocated to Phase 1 to the various unit types proposed to be developed in Phase 1 based on the ERU benefit allocation factors presented in Table 4.

Further, Table 5 illustrates the approximate costs that are projected to be financed with the Series 2025 Bonds, and the approximate costs of the portion of the CIP costs allocable to Phase 1 to be contributed by the Developer. With the Bonds funding approximately \$5,768,861.88* in costs of the CIP, the Developer and/or the District,

* Preliminary, subject to change.

in its sole discretion, via Developer contribution, is anticipated to fund improvements valued at an estimated cost of \$11,085,412.57* which will not be funded with proceeds of the Series 2025 Bonds.

Table 6 in the *Appendix* presents the minimum required contributions that are necessary to buy-down the assessments securing the Series 2025 Bond (the "Series 2025 Bond Assessments") to the target levels desired by the Developer. Finally, Table 7 in the *Appendix* presents the apportionment of the Series 2025 Bond Assessments and also present the annual levels of the projected annual debt service assessments per unit.

Amenities - No Series 2025 Bond Assessments will be allocated herein to any platted amenities or other platted common areas planned for the development. If owned by a homeowner's association, the amenities and common areas would be considered a common element for the exclusive benefit of certain property owners, and would not be subject to Series 2025 Bonds Assessments. If the amenities are owned by the District, then they would be governmental property not subject to the Series 2025 Bond Assessments and would be open to the general public, subject to District rules and policies.

Governmental Property - If at any time, any portion of the property within the District is sold or otherwise transferred to a unit of local, state, or federal government (without consent of such governmental unit to the imposition of Series 2025 Bond Assessments thereon), or similarly exempt entity, all future unpaid Series 2025 Bond Assessments for such tax parcel shall become due and payable immediately prior to such transfer.

Contributions - As referenced in the Master Report, Developer has opted to "buy down" the Series 2025 Bond Assessments on particular product types and/or lands using a contribution of cash, infrastructure or other consideration, and in order for Series 2025 Bond Assessments to reach certain target levels. The amount of such "buy down" for the Series 2025 Bond Assessments is identified in Table 5. Note that any "true-up," as described herein, may require a payment to satisfy "true-up" obligations as well as additional contributions to maintain such target assessment levels. Any amounts contributed by the Developer to pay down the Series 2025 Bond Assessments will not be eligible for "deferred costs" or any other form of repayment.

5.3 Assigning Series 2025 Assessments

The land in Phase 1 within the District is fully platted for its intended final use as reflected in the Manatee County plat (Instrument #_____, Plat Book __, Pages __-__) and consequently, the Series 2025 Bond Assessments will be allocated to each platted parcel as reflected in Table 7 in the *Appendix*. Consequently, the 349 residential units that comprise Phase 1 will cumulatively be allocated a sum of \$6,385,000* in Series 2025 Bond Assessments.

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to certain properties within Phase 1. The CIP benefits assessable properties within Phase 1 and accrues to all such assessable properties on an ERU basis.

The public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums;
- d. increased marketability and value of the property.

The improvements which are part of the CIP make the land in the District developable and saleable and when implemented jointly as parts of the CIP, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the improvements is delineated in Table 4 (expressed as ERU factors) in the *Appendix*. The apportionment of

* Preliminary, subject to change.

the Series 2025 Assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2 initially* across all assessable property within Phase 1 according to reasonable estimates of the special and peculiar benefits derived from the CIP by different unit types.

5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned Equivalent Residential Units ("ERUs") as set forth in Table 1 in the *Appendix* ("Development Plan"). At such time as lands are to be platted (or replatted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

- a. If a Proposed Plat within Phase 1 results in the same amount of ERUs (and thus Series 2025 Assessments) able to be imposed on the "Remaining Unplatted Developable Lands" within Phase 1 (i.e., those remaining unplatted developable lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Series 2025 Assessments to the product types being platted and the remaining property in accordance with this First Supplemental Report, and cause the Series 2025 Assessments to be recorded in the District's Improvement Lien Book.
- b. If a Proposed Plat within Phase 1 results in a greater amount of ERUs (and thus Series 2025 Assessments) able to be imposed on the Remaining Unplatted Developable Lands within Phase 1 as compared to what was originally contemplated under the Development Plan, then the District may undertake a pro rata reduction of Series 2025 Assessments for all assessed properties within Phase 1, may allocate additional ERUs/ densities for a future bond financing, or may otherwise address such net decrease as permitted by law.
- c. If a Proposed Plat within Phase 1 results in a lower amount of ERUs (and thus Series 2025 Assessments) able to be imposed on the Remaining Unplatted Developable Lands within Phase 1 as compared to what was originally contemplated under the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a "True-Up Payment" equal to the difference between: (i) the Series 2025 Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Series 2025 Assessments able to be imposed on the lands subject to the Proposed Plat, after

the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District's Assessment Consultant, in consultation with the District Engineer and District Counsel, shall determine in his or her sole discretion what amount of ERUs (and thus Series 2025 Assessments) are able to be imposed on the Remaining Unplatted Developable Lands within Phase 1, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for Phase 1, b) the revised, overall development plan showing the number and type of units reasonably planned for within Phase 1, c) proof of the amount of entitlements for the Remaining Unplatted Developable Lands within Phase 1, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient assessments to pay debt service on the applicable series of bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable that tax year by the landowner of the lands subject to the Proposed Plat within Phase 1, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the applicable bond series to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indentures for the applicable bond series)).

All Series 2025 Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres within Phase 1, any unallocated Series 2025 Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

5.7 Preliminary Assessment Roll

Series 2025 Assessments in the estimated amount of \$6,385,000*, plus interest and collection costs, are proposed to be levied over the area described in Exhibit "A". The Series 2025 Assessments shall be paid in thirty (30) annual principal installments. Please note that the plat has been recorded, but at the time of this writing, the individual Parcel IDs are not yet available. The individual Parcel IDs are anticipated to become available prior to the issuance of the Series 2025 Bonds and will be updated accordingly once available.

In lieu of the District issuing additional bonds to finance the full cost of the CIP and levying additional assessments, and pursuant to the Completion Agreement and/or Acquisition Agreement, the Developer will be required to construct all of the improvements that are part of the CIP attributable to Phase 1 - please note that contributions do not include financing costs because the contributions are not being financed, and so instead include only construction cost offsets.

WHEREAS, the proceeds of the 2025 Bonds shall also fund a debt service reserve account, pay capitalized interest, if so required at the time of pricing of the 2025 Bonds, and pay the costs of the issuance of the 2025 Bonds.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the Del Webb Sunchase Community Development District (the “Board”), as follows:

Section 1. Negotiated Limited Offering of 2025 Bonds. The District hereby finds that because of the complex nature of assessment bond financings in order to better time the sale of the 2025 Bonds and secure better interest rates, it is necessary and in the best interest of the District that the 2025 Bonds, in the aggregate principal amount of not exceeding \$8,000,000, be sold on a negotiated limited offering basis. The District hereby further finds that it will not be adversely affected if the 2025 Bonds are not sold pursuant to competitive sales.

Section 2. Purpose. The District has authorized its capital improvement plan for the development of the 2025 Project, as set forth in the Engineer’s Report, and hereby authorizes the financing of a portion of the acquisition and construction of certain public infrastructure benefiting the assessable lands within the District by issuing the 2025 Bonds to finance a portion of such public infrastructure described in the Engineer’s Report and constituting the 2025 Project. The 2025 Project includes, but is not limited to, stormwater drainage facilities including related earthwork, water and sewer facilities, public roadway improvements, reuse water facilities, on-site conservation and mitigation, landscaping, irrigation and hardscaping in public rights-of-way, the differential cost of undergrounding the electric utilities and related costs, all as more particularly described in the Engineer’s Report.

Section 3. Sale of the 2025 Bonds. Except as otherwise provided in the last sentence of this Section 3, the proposal submitted by the Underwriter offering to purchase the 2025 Bonds at the purchase price established pursuant to the parameters set forth below and on the terms and conditions set forth in the Bond Purchase Contract (attached hereto as Exhibit A), are hereby approved and adopted by the District in substantially the form presented. Subject to the last sentence of this Section 3, the Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby authorized to execute and deliver on behalf of the District, and the Secretary of the District is hereby authorized (if so required) to affix the Seal of the District and attest to the execution of the Bond Purchase Contract in substantially the form presented at this meeting. The disclosure statements of the Underwriter, as required by Section 218.385, Florida Statutes, to be delivered to the District prior to the execution of the Bond Purchase Contract, a draft copy of which is attached as an exhibit to the Bond Purchase Contract, will be entered into the official records of the District. The Bond Purchase Contract, in final form as determined by counsel to the District and the Chairperson, may be executed by the District without further action provided that (i) the 2025 Bonds mature not later than the statutory permitted period; (ii) the principal amount of the 2025 Bonds issued does not exceed \$8,000,000; (iii) the interest rate on the 2025 Bonds shall not exceed the maximum rate permitted under Florida law; (iv) if the 2025 Bonds are subject to optional redemption which determination will be made on or before the sale date of the 2025 Bonds, the first optional call date and the redemption price shall be determined on or before the sale date of the 2025 Bonds; and (v) the purchase price to be paid by the Underwriter for the 2025 Bonds is not less than 98% of the par amount of the 2025 Bonds issued (exclusive of any original issuance discount).

Section 4. The Limited Offering Memorandum. The Limited Offering Memorandum, in substantially the form of the Preliminary Limited Offering Memorandum (as herein defined and subject to the other conditions set forth herein) attached hereto as Exhibit B, with such changes as are necessary to conform to the details of the 2025 Bonds and the requirements of the Bond Purchase Contract, is hereby approved. The District hereby authorizes the execution of the Limited Offering Memorandum and the District hereby authorizes the Limited Offering Memorandum, when in final form, to be used in connection with the limited offering and sale of the 2025 Bonds. The District hereby authorizes and consents to the use by the Underwriter of a Preliminary Limited Offering Memorandum substantially in the form attached hereto as Exhibit B, in connection with the limited offering of the 2025 Bonds (the “Preliminary Limited Offering Memorandum”). The final form of a Preliminary Limited Offering Memorandum shall be determined by the Underwriter and the professional staff of the District. The Limited Offering Memorandum may be modified in a manner not inconsistent with the substance thereof and the terms of the 2025 Bonds as shall be deemed advisable by Bond Counsel and counsel to the District, with final approval by the Chairperson. The Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby further authorized to execute and deliver on behalf of the District, the Limited Offering Memorandum and any amendment or supplement thereto, with such changes, modifications and deletions as the member of the Board executing the same may deem necessary and appropriate with the advice of Bond Counsel and counsel to the District, with final approval by the Chairperson, such execution and delivery to be conclusive evidence of the approval and authorization thereof by the District. The District hereby authorizes the Chairperson (or, in the absence of the Chairperson, any other member of the Board) to deem “final” the Preliminary Limited Offering Memorandum except for permitted omissions all within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 and to execute a certificate in that regard.

Section 5. Details of the 2025 Bonds. The proceeds of the 2025 Bonds shall be applied in accordance with the provisions of the 2025 Indenture. The 2025 Bonds shall mature in the years and in the amounts, bear interest at such rates and be subject to redemption, all as provided in the First Supplemental. The execution of the First Supplemental shall constitute approval of such terms as set forth in the 2025 Indenture and this Resolution. The maximum aggregate principal amount of the 2025 Bonds authorized to be issued pursuant to this Resolution and the 2025 Indenture shall not exceed \$8,000,000.

Section 6. Continuing Disclosure; Dissemination Agent. The Board does hereby authorize and approve the execution and delivery of a Continuing Disclosure Agreement by the Chairperson (or, in the absence of the Chairperson, any other member of the Board) substantially in the form presented to this meeting and attached hereto as Exhibit C. The Continuing Disclosure Agreement is being executed by the District and the other parties thereto in order to assist the Underwriter in the marketing of the 2025 Bonds and compliance with Rule 15c2-12 of the Securities and Exchange Commission. Wrathell, Hunt & Associates, LLC is hereby appointed the initial dissemination agent.

Section 7. Authorization of Execution and Delivery of the First Supplemental Trust Indenture; Application of Master Indenture. The Board authorizes the use of the previously approved Master Indenture in connection with the issuance of the 2025 Bonds. The Board does hereby authorize and approve the execution by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson or any other member of the Board) and the Secretary or any

Assistant Secretary to attest and authorize the delivery of the First Supplemental and authorize the use of the previously approved Master Indenture, both between the District and the Trustee. The 2025 Indenture shall provide for the security of the 2025 Bonds and express the terms of the 2025 Bonds. The First Supplemental shall be substantially in the form attached hereto as Exhibit D and is hereby approved, with such changes therein as are necessary or desirable to reflect the terms of the sale of the 2025 Bonds as shall be approved by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson, or any other member of the Board) executing the same upon the advice of Bond Counsel and counsel to the District, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of the First Supplemental attached hereto as Exhibit D.

Section 8. Authorization and Ratification of Prior Acts. All actions previously taken by or on behalf of District in connection with the issuance of the 2025 Bonds are hereby authorized, ratified and confirmed.

Section 9. Appointment of Underwriter. The Board hereby formally appoints FMSbonds, Inc., as the Underwriter for the 2025 Bonds.

Section 10. Book-Entry Only Registration System. The registration of the 2025 Bonds shall initially be by the book-entry only system established with The Depository Trust Company.

Section 11. Assessment Methodology Report. The Board hereby authorizes any modifications to the Assessment Methodology Report prepared by Wrathell, Hunt & Associates, LLC in connection with the 2025 Bonds if such modifications are determined to be appropriate or necessary in connection with the issuance of the 2025 Bonds.

Section 12. Engineer's Report. The Board hereby authorizes any modifications to the Engineer's Report prepared by Clearview Land Design in connection with the 2025 Bonds if such modifications are determined to be appropriate in connection with the issuance of the 2025 Bonds or modifications to the 2025 Project.

Section 13. Further Official Action. The Chairperson, the Vice Chairperson, the Secretary and each other member of the Board and any other proper official or member of the professional staff of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chairperson, the Vice Chairperson or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District herein authorized. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation.

Section 14. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the

remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Board of Supervisors
Del Webb Sunchase Community Development District
Manatee County, Florida

Dear Board Members:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with the Del Webb Sunchase Community Development District (the "District"). The District is located entirely within the unincorporated area of Manatee County, Florida (the "County"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at 4:00 p.m. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon their execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District, and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of the District's \$[_____] Del Webb Sunchase Community Development District Special Assessment Bonds, Series 2025 (Assessment Area One) (the "Series 2025 Bonds"). The Series 2025 Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto.

The purchase price for the Series 2025 Bonds shall be \$[_____] (representing the \$[_____] .00 aggregate principal amount of the Series 2025 Bonds, [plus/less net original issue premium/discount of \$[_____] and] less an underwriter's discount of \$[_____]). Payment of the purchase price and delivery of the Series 2025 Bonds and the other actions contemplated hereby to take place at the time of such payment and delivery are hereinafter referred to as the "Closing."

2. The Series 2025 Bonds. The Series 2025 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State") created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the "Act"), and by Ordinance No. 24-80, enacted by the Board of County Commissioners of the County on September 24, 2024 and effective on September 25, 2024 (the "Ordinance"). The Series 2025 Bonds are being issued

pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of [March] 1, 2025 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of [March] 1, 2025 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and by Resolution No. [2024-__] and Resolution No. 2025-[__] adopted by the Board on [November 20, 2024] and [March 12, 2025], respectively (collectively, the "Bond Resolution"). The Series 2025 Special Assessments, comprising a portion of the Series 2025 Pledged Revenues for the Series 2025 Bonds, have been levied by the District on those lands within Assessment Area One within the District specially benefited by the 2025 Project pursuant to the Assessment Resolutions (as such term is defined in the Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2025 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2025 Bonds, that the entire principal amount of the Series 2025 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2025 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2025 Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of each maturity of the Series 2025 Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which the Underwriter has sold to the public each maturity of Series 2025 Bonds. If at that time the 10% test has not been satisfied as to any maturity, the Underwriter agrees to promptly report to the District the prices at which the Series 2025 Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2025 Bonds of that maturity or until all Series 2025 Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or bond counsel. For purposes of this Section, if Series 2025 Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2025 Bonds.

(c) The Underwriter confirms that it has offered the Series 2025 Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities of the Series 2025 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2025 Bonds, the Underwriter will neither offer nor sell unsold Series 2025 Bonds of that

maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2025 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Series 2025 Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Series 2025 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Series 2025 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2025 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Series 2025 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Series 2025 Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2025 Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Series 2025 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2025 Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Series 2025 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2025 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Series 2025 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer,

and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2025 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Series 2025 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2025 Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Series 2025 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Series 2025 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2025 Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2025 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2025 Bonds.

(f) The Underwriter acknowledges that sales of any Series 2025 Bond to any person that is a related party to an Underwriter participating in the initial sale of the Series 2025 Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2025 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2025 Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2025 Bonds to the public),

(iii) a purchaser of any of the Series 2025 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum dated [____], 2025 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2025 Bonds, being herein collectively called the "Preliminary Limited Offering Memorandum") of the District related to the Series 2025 Bonds that the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Series 2025 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Series 2025 Bonds. The District shall deliver or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than three (3) days prior to the Closing Date (as defined below) and in sufficient time to allow the Underwriter to comply with all requirements of the Rule and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the "MSRB"), a final Limited Offering Memorandum dated [____], 2025 (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2025 Bonds being herein collectively called the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda"). The District hereby ratifies the circulation and use of the Preliminary Limited Offering Memorandum and approves the circulation and use of the Limited Offering Memorandum by the Underwriter.

5. Definitions. For purposes hereof, (a) this Purchase Contract, the Indenture, the Series 2025 Bonds, the Continuing Disclosure Agreement to be dated as of the Closing Date, by and among the District, Pulte Home Company, LLC, a Michigan limited liability company (the "Developer"), and Wrathell, Hunt & Associates, LLC, as dissemination agent (the "Dissemination Agent"), in substantially the form attached to the Preliminary Limited Offering Memorandum as APPENDIX E thereto (the "Disclosure Agreement") and the DTC Blanket Issuer Letter of Representations entered into by the District, are referred to herein collectively as the "Financing Documents," and (b) [the Collateral Assignment in recordable form by and between the District and the Developer dated as of Closing Date, the Acquisition Agreement by and between the District and the Developer dated as of Closing Date and the Declaration of Consent (2025 Bonds) in recordable form by the Developer dated as of the Closing Date, are collectively referred to herein as the "Ancillary Agreements."]

6. Representations, Warranties and Agreements. The District hereby represents, warrants and agrees as follows:

(a) The Board is the governing body of the District and the District is and will be on the Closing Date and continuing thereafter (for the terms of the Series 2025 Bonds) duly organized and validly existing as a unit of special-purpose government created pursuant to the Constitution and laws of the State, including, without limitation, the Act;

Ancillary Agreements to which it is a party and the Preliminary Limited Offering Memorandum, including but not limited to entering into the Collection Agreement to provide for the collection of the Series 2025 Special Assessments using the Uniform Method of collection in accordance with the Indenture. On the Closing Date, the District will be in compliance in all material respects, with the terms of the Act and with the obligations on its part contained in the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements to which it is a party and the Series 2025 Bonds;

(c) At meetings of the Board that were or will be duly called and noticed and at which a quorum was or will be present and acting throughout, the Board has duly adopted the Bond Resolution and will, prior to the delivery of the Series 2025 Bonds, have adopted all of the Assessment Resolutions, and the same are and will be in full force and effect and have not been and will not be supplemented, amended, modified or repealed, except as set forth therein. By all necessary official Board action, the District has duly authorized and approved the use and delivery of the Preliminary Limited Offering Memorandum and the execution and delivery of the Financing Documents, the Ancillary Agreements to which it is a party, the Series 2025 Bonds and the Limited Offering Memorandum, has duly authorized and approved the performance by the District of the obligations on its part contained in the Financing Documents, the Ancillary Agreements to which it is a party and the Series 2025 Bonds and the consummation by it of all other transactions contemplated by this Purchase Contract and the Preliminary Limited Offering Memorandum in connection with the issuance of the Series 2025 Bonds. Upon execution and delivery by the District and the Trustee (and assuming the due authorization, execution and delivery of the Indenture by the Trustee), the Indenture will constitute a legal, valid and binding obligation of the District, enforceable in accordance with their terms, subject only to applicable bankruptcy, insolvency, and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). (d) The District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Series 2025 Bonds, the Financing Documents, the Ancillary Agreements to which it is a party and the Limited Offering Memorandum, the delivery of the Preliminary Limited Offering Memorandum and the adoption of the Bond Resolution and the Assessment Resolutions (once all of the Assessment Resolutions are adopted), and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision, or law, or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, or compliance result in the

creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolutions, the Series 2025 Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Series 2025 Bonds, the Ancillary Agreements to which it is a party or the Financing Documents;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which are required for the due authorization by, or which would constitute a condition precedent to, or the absence of which would materially adversely affect, the due performance by the District of its obligations, to issue the Series 2025 Bonds, or under the Series 2025 Bonds, the Bond Resolution, the Assessment Resolutions, the Financing Documents or the Ancillary Agreements to which it is a party have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Series 2025 Bonds;

(g) The Series 2025 Bonds, when issued, executed and delivered in accordance with the Indenture and when delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Contract, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indenture and upon such issuance, execution and delivery of the Series 2025 Bonds, the Indenture will provide, for the benefit of the holders from time to time of the Series 2025 Bonds, a legally valid and binding pledge of and first lien on the Series 2025 Pledged Revenues. On the Closing Date, all conditions precedent to the issuance of the Series 2025 Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) There is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2025 Bonds or the application of the proceeds of the sale thereof for the purposes described in the Preliminary Limited Offering Memorandum, or the collection of the Series 2025 Special Assessments or the pledge of and lien on the Series 2025 Pledged Revenues pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Series 2025 Bonds, or the authorization of the 2025 Project, the Bond Resolution, the Assessment Resolutions, the Financing Documents and the Ancillary Agreements to which the District is a party, or the application of the proceeds of the Series 2025 Bonds for the purposes set forth in the Preliminary Limited Offering Memorandum; (iv) contesting the federal tax status of the Series 2025 Bonds; or (v) contesting the completeness or accuracy of the Preliminary Limited Offering Memorandum or any supplement or amendment thereto (other than Permitted Omissions);

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Series 2025 Bonds for offer and sale under the Blue

Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Series 2025 Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Series 2025 Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the Closing Date, the statements and information contained in the Preliminary Limited Offering Memorandum (other than Permitted Omissions) and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE SERIES 2025 BONDS – Book-Entry Only System," "THE DISTRICT – The District Manager and Other Consultants," "THE DEVELOPMENT," "THE DEVELOPER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Developer," "CONTINUING DISCLOSURE" (as it relates to the Developer), and "UNDERWRITING";

(k) If the Limited Offering Memorandum is supplemented or amended pursuant to subsection (1) of this Section 6, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto up to and including the Closing Date, the Limited Offering Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained or to be contained in the Limited Offering Memoranda Memorandum under the captions "DESCRIPTION OF THE SERIES 2025 BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE DEVELOPER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Developer," "CONTINUING DISCLOSURE" (as it relates to the Developer), and "UNDERWRITING";

(l) If between the date of this Purchase Contract and the earlier of (i) date that is ninety (90) days from the end of the "Underwriting Period" as defined below or (ii) the time when the Limited Offering Memorandum is available to any person from the Municipal Securities Rulemaking Board's Electronic Municipal Market Access System (but in no event less than twenty-five (25) days following the end of the Underwriting Period), any event shall occur, of which the District has actual knowledge, which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter thereof, and, if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the District will at its expense supplement or amend the Limited Offering Memorandum in a form and in a manner approved by the Underwriter. The end of the Underwriting Period shall be the next business day after the Closing Date;

(m) Since its inception, there has been no material adverse change in the properties, businesses, results of operations, prospects, management or financial or other condition of the District, except as disclosed in the Preliminary Limited Offering Memorandum, and the District has not incurred liabilities that would materially adversely affect its ability to discharge its obligations under the Bond Resolution, the Assessment Resolutions, the Series 2025 Bonds, the Financing Documents or the Ancillary Agreements to which it is a party, direct or contingent, other than as set forth in or contemplated by the Limited Offering Memoranda;

(n) The District is not now in default and has not been in default at any time after December 31, 1975 in the payment of the principal of or the interest on any governmental security issued or guaranteed by it which would require the disclosure pursuant to Section 517.051, Florida Statutes or Rule 69W-400.003 of the Florida Department of Financial Services;

(o) Except as disclosed in the Preliminary Limited Offering Memorandum, the District has never failed to comply in any material respect with any continuing disclosure obligations previously undertaken by the District in accordance with the continuing disclosure requirements of the Rule;

(p) Any certificate signed by any official of the District and delivered to the Underwriter will be deemed to be a representation by the District to the Underwriter as to the statements made therein; and

(q) From the date of this Purchase Contract through the Closing Date, the District will not issue any bonds (other than the Series 2025 Bonds), notes or other obligations payable from the Series 2025 Pledged Revenues for the Series 2025 Bonds.

7. **Closing.** At 10:00 a.m. prevailing time on [____], 2025 (the "Closing Date") or at such later time as may be mutually agreed upon by the District and the Underwriter, the District will deliver or cause to be delivered to the Underwriter the Series 2025 Bonds in definitive book-entry-only form, duly executed and authenticated, together with the other documents hereinafter mentioned, and, subject to the terms and conditions hereof, the Underwriter will accept such delivery and pay the purchase price of the Series 2025 Bonds as set forth in Section 1 hereof, in federal or other immediately available funds to the order of the District. Delivery of the Series 2025 Bonds as aforesaid shall be made pursuant to the FAST system of delivery of The Depository Trust Company, New York, New York, or at such other place as may be mutually agreed upon by the District and the Underwriter. The Series 2025 Bonds shall be typewritten, shall be prepared and delivered as fully registered bonds in book-entry-only form, with one bond for each maturity, registered in the name of Cede & Co. and shall be made available to the Underwriter at least one (1) business day before the Closing Date for purposes of inspection and packaging, unless otherwise agreed by the District and the Underwriter.

8. **Closing Conditions.** The Underwriter has entered into this Purchase Contract in reliance upon the representations, warranties and agreements of the District contained herein, and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered on the Closing Date and upon the performance by the District of its obligations hereunder, both as of the date hereof and as of the Closing Date. Accordingly, the Underwriter's obligations under this Purchase Contract are conditioned upon the performance by the District of its obligations to be performed hereunder and under such documents and instruments at or prior to the Closing Date, and are also subject to the following additional conditions:

(a) The representations and warranties of the District contained herein shall be true, complete and correct, on the date hereof and on and as of the Closing Date, as if made on the Closing Date;

(b) At the time of the Closing, the Bond Resolution, the Assessment Resolutions, the Series 2025 Bonds, the Ancillary Agreements and the Financing Documents shall each be in full force and effect in accordance with their respective terms and the Bond Resolution, the Assessment Resolutions, the Indenture and the Limited Offering Memoranda shall not have been supplemented, amended, modified or repealed, except in any such case as may have been agreed to by the Underwriter;

(c) At or prior to the Closing Date, the Underwriter and the District shall have received each of the following:

(1) The Limited Offering Memorandum and each supplement or amendment, if any, thereto, executed on behalf of the District by the Chairperson or such other authorized member of the Board;

B. RELIANCE

This opinion is solely for the benefit of (i) the District; (ii) the Underwriter; and (iii) the Trustee provided however that the Trustee may only rely on this opinion for the limited purposes of the opinions stated in Sections C.1, C.2 and C.3. Notwithstanding the foregoing, no attorney-client relationship has existed or exists between the undersigned and the Underwriter or Trustee in connection with the Bonds by virtue of this opinion. This opinion may not be relied on by any other party or for any other purpose without our prior written consent.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* ("**Act**"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Pledged Revenues to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to adopt and execute the Assessment Resolution, and to levy and impose the Debt Assessments, as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Bonds, (c) Indenture, and (d) Bond Agreements (assuming due authorization, execution and delivery of documents (b) – (d) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for Manatee County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date of the LOM and the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Special Assessments," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaptions "District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS," "AGREEMENT BY THE STATE," "LEGALITY FOR INVESTMENT," "LITIGATION – The District,"

"CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – Based on inquiry of the District's Registered Agent, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Pledged Revenues pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the Project*** - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to District documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding

the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.

2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.

5. We express no opinion and make no representations with regard to financial, statistical or other similar information or data. We express no opinion as to compliance with any state or federal tax laws.

6. Except as set forth in Section C.9, we express no opinion and make no representations as to the Project, including but not limited to the costs, estimates, projections, status, technical provisions or anything else related to the Project.

7. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to the Developer's and/or any other landowner's ownership interests in property within the District, whether the Developer and/or any other landowner owns any of the real property subject to the recordable Bond Agreements and/or Declaration of Consent, or whether the Developer is able to convey good and marketable title to any particular real property or interest therein and related to the Project.

8. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of District.

9. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions.

See "DESCRIPTION OF THE SERIES 2025 BONDS – Book-Entry Only System" herein.

The Series 2025 Bonds are being issued by the District pursuant to the Act, Resolution Nos. [2024-___] and 2025-[___] adopted by the Board of Supervisors of the District (the "Board") on [November 20, 2024] and [March 12, 2025], respectively, and a Master Trust Indenture dated as of [March] 1, 2025 (the "Master Indenture"), as supplemented, by a First Supplemental Trust Indenture dated as of [March] 1, 2025 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and the Trustee. Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" herein.

Net proceeds of the Series 2025 Bonds will be used to provide funds for: (i) the Costs of acquiring and/or constructing a portion of the 2025 Project, (ii) the funding of the Series 2025 Reserve Account in an amount equal to the initial Series 2025 Reserve Requirement, (iii) the funding of interest on the Series 2025 Bonds through at least [November 1, 2025], and (iv) the payment of the costs of issuance of the Series 2025 Bonds. See "THE CAPITAL IMPROVEMENT PLAN AND THE 2025 Project" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

The Series 2025 Bonds are subject to optional, mandatory sinking fund and extraordinary mandatory redemption at the times, in the amounts and at the redemption prices as more fully described herein. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions" herein.

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2025 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2025 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. The Series 2025 Bonds involve a degree of risk (see "BONDOWNERS' RISKS" herein) and are not suitable for all investors (see "SUITABILITY FOR INVESTMENT" herein). The Underwriter named below is limiting this offering to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. The Series 2025 Bonds are not credit enhanced or rated and no application has been made for credit enhancement or a rating with respect to the Series 2025 Bonds.

Special Assessment Bonds, Series 2025
(Assessment Area One)**

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Del Webb Sunchase Community Development District (the "District" or "Issuer") of its \$[6,385,000]* Special Assessment Bonds, Series 2025 (Assessment Area One) (the "Series 2025 Bonds").

THE SERIES 2025 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2025 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AS AMENDED, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2025 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and Ordinance No. 24-80 enacted by the Board of County Commissioners of Manatee County, Florida (the "County") on September 24, 2024 and effective on September 25, 2024. The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 140.646 gross acres of land (the "District Lands"), lying within the Wesley Chapel region of the unincorporated boundaries of the County. The District Lands are located east of Watergrass Parkway and north of Wells Road and are being developed as a highly amenitized 683-unit residential community to be known as "[Del Webb Sunchase]" (the "Development"). See "THE DEVELOPMENT" herein for more information. Pulte Home Company, LLC, a Michigan limited liability company (the "Developer"), is serving as the developer and homebuilder for the Development. See "THE DEVELOPER" herein for more information.

* Preliminary, subject to change.

The Series 2025 Bonds are being issued to finance a portion of the District's Capital Improvement Plan for Assessment Area One (as further described herein, the "2025 Project"). See "THE CAPITAL IMPROVEMENT PLAN AND 2025 Project" herein for more information.

The Series 2025 Bonds are payable from and secured solely by the Series 2025 Pledged Revenues, which consist primarily of the revenues received by the District from the levy of the Series 2025 Special Assessments (as defined herein) on the assessable lands within Assessment Area One, which is expected to contain 349 platted lots. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein. The Series 2025 Special Assessments will be assigned as set forth in the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

The Series 2025 Bonds are being issued by the District pursuant to the Act, Resolution No. [2024-__] and Resolution No. 2025-[__] adopted by the Board of Supervisors of the District (the "Board") on [November 20, 2024] and [March 12, 2025], respectively, and a Master Trust Indenture dated as of [March] 1, 2025 (the "Master Indenture"), as supplemented, by a First Supplemental Trust Indenture dated as of [March] 1, 2025 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

Proceeds of the Series 2025 Bonds will be used to provide funds for: (i) the Costs of acquiring and/or constructing a portion of the 2025 Project, (ii) the funding of the Series 2025 Reserve Account in an amount equal to the initial Series 2025 Reserve Requirement, (iii) the funding of interest on the Series 2025 Bonds through at least [November 1, 2025], and (iv) the payment of the costs of issuance of the Series 2025 Bonds. See "THE CAPITAL IMPROVEMENT PLAN AND THE 2025 Project" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. "Series 2025 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on the assessable lands within Assessment Area One within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the First Supplemental Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Developer, the Development, Assessment Area One, the 2025 Project and summaries of the terms of the Series 2025 Bonds, certain provisions of the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statute, and all references to the Series 2025 Bonds are qualified by reference to the definitive form thereof and the

information with respect thereto contained in the Indenture. The proposed forms of the Master Indenture and First Supplemental Indenture appear in APPENDIX A attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change. See, however, "CONTINUING DISCLOSURE" herein.

DESCRIPTION OF THE SERIES 2025 BONDS

General Description

The Series 2025 Bonds are issuable only as fully registered bonds, without coupons, in the denominations of \$5,000 and any integral multiple thereof. The Series 2025 Bonds will mature, subject to the redemption provisions set forth herein, on the dates and in the amounts set forth on the cover page hereof.

The Series 2025 Bonds shall be dated as of the date of initial delivery. Regularly scheduled interest on the Series 2025 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. "Interest Payment Date" means May 1 and November 1 of each year, commencing May 1, 2025, each Quarterly Redemption Date and any other date the principal of the Series 2025 Bonds is paid. "Quarterly Redemption Date" shall mean each March 15, May 1, September 15 and December 1 of any calendar year. Interest on the Series 2025 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to May 1, 2025, in which case from the date of initial delivery of the Series 2025 Bonds or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. Interest on the Series 2025 Bonds will be computed in all cases on the basis of a 360-day year consisting of twelve 30-day months.

The Series 2025 Bonds shall be issued as one fully registered bond for each maturity of Series 2025 Bonds in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), and purchases of beneficial interests in the Series 2025 Bonds will be made in book-entry only form. As long as the Series 2025 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes under the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("Direct Participants") and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2025 Bonds ("Beneficial Owners"). Principal and interest on the Series 2025 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the District. Purchasers may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2025 Bonds, through Direct Participants and Indirect Participants. During the period for which Cede & Co. is registered owner of the Series 2025 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. The District shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the District in accordance with the

procedures of DTC. In the event of such termination, the District shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the District does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2025 Bonds in the form of fully registered Series 2025 Bonds in accordance with the instructions from Cede & Co. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2025 Bonds may be exchanged for an equal aggregate principal amount of Series 2025 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee. See "DESCRIPTION OF THE SERIES 2025 BONDS – Book-Entry Only System" below.

The Series 2025 Bonds initially will be sold only to "accredited investors" within the meaning under Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder, although there is no limitation on resales of the Series 2025 Bonds. See "SUITABILITY FOR INVESTMENT" below.

U.S. Bank Trust Company, National Association is initially serving as the Trustee, Registrar and Paying Agent for the Series 2025 Bonds.

Redemption Provisions

Optional Redemption

The Series 2025 Bonds may, at the option of the District, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after November 1, 20__ (less than all Series 2025 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee a revised mandatory sinking fund schedule recalculated so as to amortize the Outstanding principal amount of the Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund payment due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account (taking into account the credit from the Series 2025 Reserve Account pursuant to the First Supplemental Indenture) following a Prepayment in whole or in part of the Series 2025 Special Assessments on any assessable property within Assessment Area One within the District in accordance with the provisions of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2025 Funds, Accounts and Subaccounts in the Funds and Accounts (other than the Series 2025 Rebate Fund, the Series 2025 Costs of Issuance Account and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account not otherwise reserved to complete the 2025 Project (including any amounts transferred from the Series 2025 Reserve Account) all of which have been transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Notice of Redemption and of Purchase

When required to redeem or purchase Series 2025 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be provided by electronic means or mailed by first-class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2025 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2025 Bonds for which notice was duly mailed in accordance with the Indenture.

Purchase of Series 2025 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2025 Sinking Fund Account to the purchase of the Series 2025 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC") will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2025 Bond certificate will be issued for each maturity of the Series 2025 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others

such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2025 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2025 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2025 Bond documents. For example, Beneficial Owners of Series 2025 Bonds may wish to ascertain that the nominee holding the Series 2025 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2025 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions*, and interest payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on a payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions*, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository) in accordance with the procedures of DTC. In that event, Series 2025 Bond certificates will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

General

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2025 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2025 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. THE SERIES 2025 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. "Series 2025 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on the assessable lands within Assessment Area One within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the First Supplemental Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B)

* Not applicable to the Series 2025 Bonds.

moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) special assessments levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The "Series 2025 Special Assessments" consist of the non-ad valorem special assessments imposed and levied by the District against the assessable lands within Assessment Area One within the District specially benefited by the 2025 Project or any portion thereof, pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2025 Special Assessments will constitute a lien against the land as to which the Series 2025 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

In the Master Indenture, the District will covenant that, if any Series 2025 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2025 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Series 2025 Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Series 2025 Special Assessment from any legally available moneys, which moneys shall be deposited into the Series 2025 Revenue Account. In the case such second Series 2025 Special Assessment shall be annulled, the District shall obtain and make other Series 2025 Special Assessments until a valid Series 2025 Special Assessment shall be made.

Prepayment of Series 2025 Special Assessments

Pursuant to the Assessment Proceedings and the First Supplemental Indenture, an owner of property subject to the Series 2025 Special Assessments may prepay the entire amount of such Series 2025 Special Assessments at any time, or a portion of such amount up to two times, plus accrued interest to the next succeeding interest payment date (or the second succeeding interest payment date if such prepayment is made within forty-five (45) calendar days before an interest payment date.)

Pursuant to the Act, an owner of property subject to the levy of Series 2025 Special Assessments may pay the entire balance of the Series 2025 Special Assessments remaining due, without interest, within thirty (30) days after the 2025 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2025 Project pursuant to Chapter 170.09, Florida Statutes. For the property that the Developer owns within Assessment Area One, the Developer will waive this right on behalf of itself and its successors and assigns in connection with the issuance of the Series 2025 Bonds.

The Series 2025 Bonds are subject to extraordinary redemption as indicated under "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from prepayments of Series 2025 Special Assessments by property owners. See also "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

Additional Obligations

The District will covenant in the Indenture not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. Such covenant shall not prohibit the District from issuing refunding Bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within Assessment Area One within the District subject to the Series 2025 Special Assessments, until the Series 2025 Special Assessments are Substantially Absorbed. "Substantially Absorbed" means the date at least seventy-five percent (75%) of the principal portion of the Series 2025 Special Assessments have been assigned to residential units within Assessment Area One within the District that have received certificates of occupancy. The District's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The District shall provide the Trustee with a certification that the Series 2025 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied on the same lands subject to Series 2025 Special Assessments at any time upon the written consent of the Majority Holders (as defined herein). "Majority Holders" means the beneficial owners of more than fifty percent (50%) of the Outstanding principal amount of the Series 2025 Bonds.

The District, except as provided in the preceding paragraphs, and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2025 Special Assessments without the consent of the Holders of the Series 2025 Bonds. The District will impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2025 Special Assessments, on the same lands upon which the Series 2025 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS – Other Taxes and Assessments" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising any portion of the 2025 Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the 2025 Project or any part thereof. See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto for more information.

Series 2025 Acquisition and Construction Account

The First Supplemental Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2025 Acquisition and Construction Account." Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Acquisition and Construction Account in the amount set forth in the First Supplemental Indenture, together with any other moneys that may be transferred to the Series 2025 Acquisition and Construction Account as provided for in the First Supplemental Indenture. Such moneys in the Series 2025 Acquisition and Construction Account shall be disbursed by the Trustee as set forth in the Indenture and, upon disbursement, the District shall apply such moneys as provided for in the Indenture and in the Acquisition Agreement (as defined in the First Supplemental Indenture). Upon presentment by the District Manager or the District to the Trustee of a properly signed requisition in substantially the form attached to the First Supplemental Indenture, the

Trustee shall withdraw moneys from the Series 2025 Acquisition and Construction Account and make payment to the Person or Persons so designated in such requisition.

Subject to the provisions of the First Supplemental Indenture, any moneys remaining in the Series 2025 Acquisition and Construction Account after the Completion Date and after the expenditure of all moneys remaining therein that have not been requisitioned, as evidenced in a certificate from the District Engineer to the Trustee, upon which the Trustee may conclusively rely, after satisfaction of the Release Conditions (as defined herein), except for any moneys reserved therein for the payment of any Costs of the 2025 Project owed but not yet requisitioned, and the adoption of a resolution by the District accepting the 2025 Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account. Subject to the provisions of the First Supplemental Indenture, the Series 2025 Acquisition and Construction Account shall be closed upon the expenditure of all funds therein, including moneys deposited therein as a result of satisfaction of the Release Conditions. See "–Series 2025 Reserve Account" herein for more information regarding the Release Conditions.

In accordance with the provisions of the Indenture, the Series 2025 Bonds are payable solely from the Series 2025 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the District will acknowledge in the Indenture that, upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, (i) the Series 2025 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) the Series 2025 Pledged Revenues may not be used by the District (whether to pay costs of the 2025 Project or otherwise) without the consent of the Majority Holders, except to pay expenses of the Series 2025 Project that have already been incurred prior to the date of the Event of Default and which are due and payable by the District, and (iii) the Series 2025 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. Prior to any action by the Trustee under the provisions of the Indenture following an Event of Default, the Majority Holders shall provide the Trustee an indemnification regarding such actions so directed.

Series 2025 Reserve Account

The First Supplemental Indenture establishes a Series 2025 Reserve Account within the Debt Service Reserve Fund for the Series 2025 Bonds. The Series 2025 Reserve Account will, at the time of delivery of the Series 2025 Bonds, be funded from a portion of the net proceeds of the Series 2025 Bonds in the amount of the initial Series 2025 Reserve Requirement. "Series 2025 Reserve Requirement" or "Reserve Requirement" shall mean an amount initially equal to fifty percent (50%) of the maximum annual debt service with respect to the initial principal amount of the Series 2025 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions (as defined herein), the Series 2025 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2025 Bonds. If a portion of the Series 2025 Bonds are redeemed pursuant to the First Supplemental Indenture, the Reserve Requirement shall be reduced in accordance with the provisions of the First Supplemental Indenture. Any amount in the Series 2025 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2025 Bonds be used to pay principal of and interest on the Series 2025 Bonds at that time. The initial Series 2025 Reserve Requirement shall be equal to \$_____.

"Release Conditions" shall mean all of the following: (a) all of the principal portion of the Series 2025 Special Assessments has been assigned to residential units that have received certificates of

occupancy; and (b) no Event of Default under the Master Indenture has occurred, all as evidenced pursuant to the First Supplemental Indenture.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2025 Bonds caused by investment earnings prior to the Completion Date to the Series 2025 Acquisition and Construction Account and after the Completion Date to the Series 2025 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner within Assessment Area One within the District, or as a result of a mandatory true-up payment, the District shall, or shall cause the District Manager on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2025 Reserve Account shall be transferred by the Trustee to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2025 Reserve Account as described below to the Series 2025 Acquisition and Construction Account and pay such amount deposited in the Series 2025 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached as an exhibit to the First Supplemental Indenture to the District submitted by the Developer, which requisition shall be executed by the District and the Consulting Engineer or the Person or Persons designated in a previously submitted properly executed requisition, all or a portion of which remains unfunded ("Unfunded Requisitions"). Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account and the Trustee has on file one or more Unfunded Requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no Unfunded Requisitions on file with the Trustee, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions, as evidenced by a written certificate of the District Manager delivered to the District and the Trustee stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2025 Reserve Requirement, the Trustee shall

without further direction reduce the Series 2025 Reserve Requirement to ten percent (10%) upon satisfaction of Release Conditions of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds as calculated by the District Manager. The excess amount in the Series 2025 Reserve Account as a result of satisfaction of the Release Conditions shall be transferred to the Series 2025 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the First Supplemental Indenture, the District Manager on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee, and the Trustee shall apply any excess in the Series 2025 Reserve Account toward such extraordinary mandatory redemption

It shall be an Event of Default under the Master Indenture if at any time the amount in the Series 2025 Reserve Account is less than the Series 2025 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Reserve Requirement on the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal. See "—Events of Default and Remedies" herein.

Deposit and Application of the Series 2025 Pledged Revenues

Pursuant to the First Supplemental Indenture, Series 2025 Special Assessments (except for Prepayments of Series 2025 Special Assessments, which shall be identified as such by the District to the Trustee and deposited in the Series 2025 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2025 Revenue Account established within the Revenue Fund. The Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding May 1, less any amount on deposit in the Series 2025 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding November 1, less any amount on deposit in the Series 2025 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 20[___], to the Series 2025 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, commencing May 1, 20[___] which is a principal payment date for any Series 2025 Bonds, to the Series 2025 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2025 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall

be authorized to transfer from the Series 2025 Revenue Account to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2025 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2025 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in any Accounts in the Debt Service Fund, any Account of the Debt Service Reserve Fund, and any Account within the Bond Redemption Fund created under the First Supplemental Indenture in Government Obligations and the other securities described in the definition of Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof, except as provided in the Indenture. If the net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

In the absence of written investment instructions from the District, the Trustee shall not be responsible or liable for keeping the moneys held by it under the Indenture invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the District and the District shall be responsible for ensuring that such instructions conform to requirements of the Master Indenture. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions

of the District or otherwise. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed under the Indenture. Ratings of investments shall be determined by the District at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of such investments. The Trustee may make any and all such investments permitted by the provisions of the Master Indenture through its own investment department or that of its affiliates or subsidiaries, any may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any Fund or Account if no activity occurred in such fund or account during such month.

The Trustee shall value the assets in each of the Funds and Accounts established under the Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established under the Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder.

Master Indenture Provisions Relating to Bankruptcy of Developer or Other Obligated Person

For purposes of the following, Series 2025 Bonds secured by and payable from Series 2025 Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to as the "Affected Bonds," and (b) the Series 2025 Special Assessments levied against any Insolvent Taxpayer's property and pledged under the Indenture as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments."

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least ten percent (10%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District will agree that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District will acknowledge and agree that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, will agree that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any

action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in such paragraphs shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, or claims for moneys or performance under a contract, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion; provided that such claim does not involve the amount of Special Assessments relating to Bonds outstanding or in any way has the effect of reducing the Pledged Revenues. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the Issuer or the Trustee; provided, however, the District shall not assert any claim seeking to reduce the amount of the Special Assessments.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" under the Master Indenture, with respect to the Series 2025 Bonds:

- (a) if payment of any installment of interest on any Series 2025 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2025 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, which failure or incapacity may reasonably be determined solely by the Majority Holders of the Series 2025 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2025 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Series 2025 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as, the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2025 Reserve Account is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Reserve Requirement on such Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District Lands upon which the Series 2025 Special Assessments are levied to secure the Series 2025 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, within ninety (90) days, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2025 Bonds shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default with respect to the Series 2025 Bonds, no optional redemption or extraordinary mandatory redemption of such Series 2025 Bonds pursuant to the Indenture shall occur unless all of the Series 2025 Bonds will be redeemed or 100% of the Holders of the Series 2025 Bonds agree to such redemption; provided that in no event shall this provision preclude any partial distribution under the Master Indenture.

If any Event of Default with respect to the Series 2025 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2025 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2025 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of such Series 2025 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2025 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2025 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2025 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2025 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

The Majority Holders of the Series 2025 Bonds then subject to remedial proceedings under the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Master Indenture, provided that such directions shall not be otherwise than in accordance with applicable law and the applicable provisions of the Indenture.

The District will agree in the Master Indenture that it shall seek to secure the written direction of the Trustee, acting at the direction of the Majority Holders of the Series 2025 Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceedings or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2025 Assessments relating to the Series 2025 Bonds Outstanding, or any rights of the Trustee under the Indenture. However, the Trustee shall be deemed to have consented, on behalf of the Majority Holders of the applicable Series 2025 Bonds Outstanding, to the proposed action if the District does not receive written direction from the Trustee within sixty (60) days or which shorter amount of time as would be required to comply with the ruling of the applicable court following receipt by the Trustee of the written request for direction.

No Bondholder shall have any right to pursue any remedy under the Indenture unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the Series 2025 Bonds shall have requested the Trustee, in writing, to exercise the powers granted in the Indenture or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2025 Bonds is the collection of Series 2025 Special Assessments imposed on the assessable lands within Assessment Area One of the District specially benefitted by the 2025 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2025 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Manatee County Tax Collector ("Tax Collector") or the Manatee County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2025 Special Assessments during any year. Such delays in the collection of Series 2025 Special Assessments, or complete inability to collect the Series 2025 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series

2025 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2025 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds.

For the Series 2025 Special Assessments to be valid, the Series 2025 Special Assessments must meet two requirements: (1) the benefit from the 2025 Project to the lands subject to the Series 2025 Special Assessments must equal or exceed the amount of the Series 2025 Special Assessments, and (2) the Series 2025 Special Assessments must be fairly and reasonably allocated across all such benefitted properties.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2025 Special Assessments through a variety of methods. Initially, the District will directly issue annual bills to landowners requiring payment of the Series 2025 Special Assessments and enforce that bill through foreclosure proceedings, in lieu of the use of the Uniform Method of Collection (the "Uniform Method") afforded by Chapter 197, Florida Statutes, with respect to any assessable lands within Assessment Area One where the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the District otherwise. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are platted and sold, the Series 2025 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2025 Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2025 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2025 Special Assessments and the ability to foreclose the lien of the Series 2025 Special Assessments upon the failure to pay such Series 2025 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2025 Special Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, the District may alternatively elect to collect the Series 2025 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event

the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2025 Special Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner within Assessment Area One within the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments – including the Series 2025 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2025 Special Assessments. In other words, any partial payment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2025 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2025 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2025 Bonds.

Under the Uniform Method, if the Series 2025 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per subsequent month (i.e., 3% in December, 2% in January, to 1% in February). No discount is given for payment in March or later. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Special Assessments, (2) that future landowners and taxpayers in Assessment Area One within the District will pay such Series 2025 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within Assessment Area One, and (4) that the eventual sale of tax certificates for real property within Assessment Area One, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2025 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2025 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest costs and

charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or "struck off," to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2025 Special Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the Clerk of the Circuit Court of the County, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The

portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the Clerk of the Circuit Court shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates, accrued taxes, and liens of any nature against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2025 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within Assessment Area One may affect the demand for certificates and the successful collection of the Series 2025 Special Assessments, which are the primary source of payment of the Series 2025 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2025 Bonds offered hereby and are set forth below. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2025 Bonds.

Concentration of Land Ownership

As of the date hereof, the Developer owns all of the assessable lands within Assessment Area One, which are the lands that will be subject to the Series 2025 Special Assessments securing the Series 2025

Bonds. Payment of the Series 2025 Special Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners in Assessment Area One. Non-payment of the Series 2025 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2025 Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2025 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2025 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2025 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2025 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2025 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Special Assessments and the ability of the District to foreclose the lien of the Series 2025 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer (as previously defined)". See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2025 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2025 Bonds is the timely collection of the Series 2025 Special Assessments. The Series 2025 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Series 2025 Special Assessments or that they will pay such Series 2025 Special Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal obligation to pay the Series 2025 Special Assessments. Neither the Developer nor any subsequent

landowners are guarantors of payment of any Series 2025 Special Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2025 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2025 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2025 Special Assessments may ultimately depend on the market value of the land subject to the Series 2025 Special Assessments. While the ability of the Developer or subsequent landowners to pay the Series 2025 Special Assessments is a relevant factor, the willingness of the Developer or subsequent landowners to pay the Series 2025 Special Assessments, which may also be affected by the value of the land subject to the Series 2025 Special Assessments, is also an important factor in the collection of Series 2025 Special Assessments. The failure of the Developer or subsequent landowners to pay the Series 2025 Special Assessments could render the District unable to collect delinquent Series 2025 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2025 Bonds.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area One and the likelihood of timely payment of principal and interest on the Series 2025 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2025 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2025 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area One.

The value of the lands subject to the Series 2025 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2025 Bonds. The Series 2025 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area One and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2025 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2025 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2025 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2025 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2025 Special Assessment, even though the landowner is not contesting the amount of the Series 2025 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2025 Bonds

The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of development of the Development and the lands within Assessment Area One, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2025 Special Assessments, may not adversely affect the timely payment of debt

service on the Series 2025 Bonds because of the moneys on deposit in the Series 2025 Reserve Account. The ability of the Series 2025 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2025 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2025 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the Series 2025 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2025 Special Assessments, the moneys on deposit in the Series 2025 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2025 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2025 Reserve Account and such other Funds, Accounts and subaccounts created under the Master Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2025 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2025 Special Assessments in order to provide for the replenishment of the Series 2025 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Series 2025 Reserve Account" herein for more information about the Series 2025 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2025 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the Series 2025 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with

respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2025 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination.

or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rate on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2025 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2025 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2025 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2025 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2025 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2025 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2025 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2025 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2025 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives

and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "[t]he state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to ... levy and collect the ... assessments ... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not in any way impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the 2025 Project will exceed the net proceeds from the Series 2025 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2025 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the 2025 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Additional Obligations" for more information.

The Developer will not be entering into a completion agreement. There are no assurances that the 2025 Project and any other remaining development work associated with Assessment Area One will be completed. Further, even if development of Assessment Area One is completed, there are no assurances that all of the planned homes will be constructed and sold within Assessment Area One.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2025 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2025 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2025 Special Assessments by the Developer or subsequent owners of the property within Assessment Area One. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2025 Bonds. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions," "– Purchase of Series 2025 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Special Assessments" herein for more information.

Payment of Series 2025 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2025 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District was established by Ordinance No. 24-80 enacted by the Board of County Commissioners of Manatee County, Florida, on September 24, 2024 and effective on September 25, 2024, under the provisions of the Act. The District is located within the unincorporated area of the County and includes approximately 140.646 gross acres of land (the "District Lands"). The District Lands are being developed as a highly amenitized 683-unit residential community currently being marketed as "[Del Webb Sunchase]." See "THE DEVELOPMENT" herein for a summary of the current development status of the Development.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board (as defined below) the authority to, among other things, (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within Assessment Area One within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within Assessment Area One within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2025 Bonds.

Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections have taken place and will take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least 18 years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
	Chairman	
	Vice Chairman	
	Assistant Secretary	
	Assistant Secretary	
	Assistant Secretary	

* Employee of, or affiliated with, the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected and owned by the District pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board. The District has retained Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located 2300 Glades Rd., Ste. #410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Clearview Land Design, P.L., Tampa, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Master Special Assessment Methodology Report dated November 20, 2024 (the "Master Special Assessment Methodology Report"), as supplemented by the [Preliminary First Supplemental Special Assessment Methodology Report] dated [____], 2025 (the "Preliminary First Supplemental Special Assessment Methodology Report" and together with the Master Special Assessment Methodology Report, the "Assessment Methodology"), which allocate the Series 2025 Special Assessments to the District Lands within Assessment Area One, have been prepared by Wrathell, Hunt & Associates, LLC, Boca Raton, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2025 Bonds are determined, the Preliminary First Supplemental Special Assessment Methodology Report will be amended to reflect such final terms. Once levied and imposed, the Series 2025 Special Assessments are first liens on the District Lands within Assessment Area One against which they are assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

[TO BE UPDATED UPON RECEIPT OF SAM] The Series 2025 Bonds are payable from and secured by a pledge of the Series 2025 Pledged Revenues, which consist primarily of the revenues received by the District from the levy and collection of the Series 2025 Special Assessments. As set forth in the Assessment Methodology, the Series 2025 Bonds will be secured by the Series 2025 Special Assessments which initially will be levied on the approximately 140.646 gross acres of land which comprise Assessment Area One and as lots are platted, the Series 2025 Special Assessments are expected to be assigned to the 349 lots planned for Assessment Area One on a first platted, first assigned basis. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

The District anticipates levying assessments to cover its operation and maintenance costs that will be approximately \$[____] per residential unit annually, which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate in the District in 2024 was approximately 13.5210 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Manatee County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

The information appearing below under the captions "THE DEVELOPMENT" and "THE DEVELOPER" has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2025 Bonds or the Series 2025 Special Assessments.

THE DEVELOPMENT

General

The District Lands encompass approximately 140.646 gross acres which are planned to contain 349 residential units (the "Development"). The Development is a part of a larger planned residential community. The District plans on amending its boundaries in the future to increase to a total of 427 acres of land which are planned to contain a 1,003 unit age-restricted residential community to be known as "Del Webb Sunchase" (the "Master Development"). The Development is located in unincorporated Manatee County north of State Road 62, east of Spencer Parrish Road, and west of Ranch Oak Parkway.

The Development is located within the rapidly growing Parrish submarket with shopping, dining, and entertainment options available within a short drive. Nearby communities include Del Webb Bayview, Saltmeadows, Crosswind Point, Lennar at Seaire, Rutland Ranch, and Lennar at Prosperity Lakes. Del Webb Bayview, which was developed by the Developer, is nearing buildout. As of December 31, 2024 only 31 homes remain to be sold to end users, with over 919 homes sold in approximately 3.5 years. The Development is intended to continue upon the success of Del Webb Bayview. A new Publix-anchored shopping center has recently been opened across the street from BayView. On a regional level, the Development is centrally located between the Bradenton-Sarasota and Tampa-St. Petersburg, with drives to each respective municipality in approximately 30 minutes or less. Set forth below is a map which sets forth the location of the Development.

The Series 2025 Bonds are being issued to finance a portion of the 2025 Project. The Series 2025 Bonds will be secured by the Series 2025 Special Assessments which initially will be levied on the approximately [140.646 gross acres of land which comprise Assessment Area One of the District]. As lots are platted, the Series 2025 Special Assessments are expected to be assigned to the 349 lots planned for Assessment Area One on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. See "APPENDIX D: ASSESSMENT METHODOLOGY" attached hereto and "– Taxes, Fees and Assessments" herein for more information.

Pulte Home Company, LLC, a Michigan limited liability company (the "Developer"), is the land developer and homebuilder for the Development. The Developer is marketing the Development as an age restricted community through its affiliate, Del Webb Active Adult Communities. See "THE DEVELOPER" herein for more information.

The target market for the Development consists of retirees and empty-nesters. The Development will contain single-family detached homes on 40' wide lots, 50' wide lots, and 65' wide lots. Starting selling prices for single-family homes are expected to range \$____,990 to \$____,990 and range in square feet from approximately [1,256 square feet to 3,361] square feet. See "- Residential Product Offerings" herein.

Land Acquisition and Finance Plan

The Developer acquired its interest in the District Lands on [December 14, 2023] for a total purchase price of \$[14,198,400]. [Describe developer's basis in AA1 if different acreage.] The Developer's interests in the District Lands are not subject to a mortgage.

The Developer estimates the total land development costs for Assessment Area One will be approximately \$____ million. As of _____, 2025, the Developer has spent approximately \$____ million developing the lands in Assessment Area One. Net proceeds of the Series 2025 Bonds in the approximate amount of \$5.77* million will be available to finance the acquisition of a portion of the 2025 Project from the Developer. Costs not funded with bond proceeds will be funded with Developer equity. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Development Plan and Status

Land development associated with Assessment Area One is [substantially complete] with final completion expected by _____, 2025. A plat for the 349 lots planned for Assessment Area One [was recorded on/is expected to be recorded by] _____ 202_.

Sales and vertical construction for Assessment Area One are expected to commence in _____ 2025, with home closings expected to commence in _____ 202_.

The Developer anticipates that ____ homes will close with homebuyers per annum until buildout of Assessment Area One, which is expected by _____. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

* Preliminary, subject to change.

Taxes, Fees and Assessments

[TO BE UPDATED UPON RECEIPT OF SAM] As set forth in the Assessment Methodology, the Series 2025 Special Assessments initially will be levied on the approximately 140.646 gross acres comprising Assessment Area One until such time as the lots are platted. Once platted, the assessments are expected to be assigned to the 349 platted lots in Assessment Area One on a first platted, first assigned basis. Assuming that all of the 349 residential units are developed and platted, then the Series 2025 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein.

* Preliminary, subject to change. Annual assessment levels shown will be grossed up to account for early payment discounts and County collection fees for when such Series 2025 Special Assessments are collected via the Uniform Method.

The District anticipates levying assessments to cover its operation and maintenance costs that will be approximately \$___ per residential unit annually; which amount is subject to change. In addition, residents will be required to pay homeowners association fees and an amenity fee which currently are estimated initially to range from approximately \$___ to \$___ per residential unit monthly, which amounts are subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate in the District in 2024 was approximately 13.5210 mills, which millage rate is subject to change. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Manatee County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

The public schools for children residing in the Development are expected to be [____], [____], and [____], which are located approximately [] miles, [] miles, and [] miles from the Development, respectively, and which were rated [], [] and [], respectively, by the Florida Department of Education in 2024. The Manatee County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Competition

Due to their proximity to the Development, price ranges and product types, the Developer believes the following communities will pose the primary competition to the Development: [Esplanade at Artisan Lakes, Prosperity Lakes, Parrish Lakes, Rutland Ranch, and North River Ranch] [please add/remove as

necessary]. The information under this heading does not purport to summarize all of the exiting or planned communities in the area of the Development, but rather those that the Developer feels pose primary competition to the Development.

THE DEVELOPER

The Developer, which is the successor by conversion to Pulte Home Corporation, a Michigan corporation formed on January 24, 1985, is wholly owned by PulteGroup, Inc., a Michigan corporation ("PulteGroup").

PulteGroup stock trades on the New York Stock Exchange under the symbol PHM. PulteGroup is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission (the "SEC"). The file number for PulteGroup is No. 1-9804. Such reports, proxy statements, and other information can be inspected and copied at the Public Reference Section of the SEC, Room 1024, 450 Fifth Street NW, Judiciary Plaza, Washington, DC, and at the SEC's internet website at <http://www.sec.gov>. Neither the Developer nor any of the other entities listed above are guaranteeing payment of the Series 2025 Bonds or the Series 2025 Special Assessments. None of the entities listed herein, other than the Developer, has entered into any agreements in connection with the issuance of the Series 2025 Bonds.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2025 Bonds in order that the interest on the Series 2025 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2025 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2025 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2025 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2025 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2025 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2025 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2025 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2025 Bonds.

Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the status of interest on the Series 2025 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2025 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2025 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2025 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2025 Bonds, or the ownership or disposition of the Series 2025 Bonds. Prospective purchasers of Series 2025 Bonds should be aware that the ownership of Series 2025 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2025 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2025 Bonds, (iii) the inclusion of the interest on the Series 2025 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2025 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2025 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2025 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2025 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2025 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2025 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the

period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2025 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2025 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2025 Bonds, or adversely affect the market price or marketability of the Series 2025 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2025 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2025 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2025 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2025 Bonds and proceeds from the sale of Series 2025 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2025 Bonds. This withholding generally applies if the owner of Series 2025 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under

certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2025 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2025 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2025 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2025 Bonds upon an Event of Default under the Master Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2025 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, against the District and seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2025 Bonds, or in any way contesting or affecting (i) the validity of the Series 2025 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2025 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

The Developer has represented that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2025 Project or the development of the lands within Assessment Area One as described herein, materially and adversely affect the ability of the Developer to pay the Series 2025 Special Assessments imposed against the land within Assessment Area One owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the Consulting Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (which has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2025 Bonds. Except for the payment of certain fees to District Counsel, the Consulting Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2025 Bonds.

NO RATING

No application for a rating for the Series 2025 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2025 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report has been prepared by Clearview Land Design, P.L., Tampa, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D attached hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2025 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their respective reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

This District will covenant in the Disclosure Agreement (as defined herein), the proposed form of which is set forth in APPENDIX E hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX E, commencing with the audit for the District's fiscal

year ending September 30, 2025, which are due on or before June 30, 2026. Attached hereto as APPENDIX F is a copy of the District's unaudited financial statements for the period ended [____], 20[___]. The District does not yet have audited financial statements because the District was recently formed and has not yet met the threshold under State law requiring an audit. The Series 2025 Bonds are not general obligation bonds of the District and are payable solely from the Series 2025 Pledged Revenues.

By the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, as amended, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District has not previously issued any debt obligations and, therefore, is not and has never been in default as to principal or interest on its bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District and the Developer will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in the attached APPENDIX E, for the benefit of the Series 2025 Bondholders (including owners of beneficial interests in such Bonds), to provide certain financial information and operating data relating to the District and disclosures of certain enumerated material events by certain dates prescribed in the Disclosure Agreement (the "Reports") with the Municipal Securities Rulemaking Board ("MSRB") through the MSRB's Electronic Municipal Market Access system ("EMMA"). The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement may constitute an event of default thereunder. Such a default will not constitute an Event of Default under the Master Indenture, but such event of default under the Disclosure Agreement would allow the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds) to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The District anticipates satisfying all future disclosure obligations required pursuant to its Disclosure Agreement and the Rule. The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

The Developer has entered into previous written agreements in connection with the Rule with respect to the Series 2025 Bonds and bonds issued by other community development districts. A review of filings made pursuant to such prior undertakings indicates that certain filings required to be made by the Developer were not timely filed and that notice of such late filings was not always provided. The Developer anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement and the Rule.

UNDERWRITING

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2025 Bonds from the District at a purchase price of \$_____ (par amount of the Series 2025 Bonds, [plus/less an original issue premium/discount of \$_____ and] less an Underwriter's discount of \$_____). The Underwriter's obligations are subject to certain conditions precedent and upon satisfaction or waiver by the Underwriter of such conditions, and the Underwriter will be obligated to purchase all of the Series 2025 Bonds if any Series 2025 Bonds are issued.

The Underwriter intends to offer the Series 2025 Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2025 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

VALIDATION

Bonds issued pursuant to the terms of the Master Indenture including the Series 2025 Bonds have been validated by a judgment of the Circuit Court of the [Sixth Judicial Circuit Court of Florida in and for Manatee County, Florida, rendered on _____, 2024]. The period of time during which an appeal can be taken from such judgment has expired and no appeal was taken.

LEGAL MATTERS

Certain legal matters related to the authorization, sale and delivery of the Series 2025 Bonds are subject to the approval of Greenberg Traurig, P.A., West Palm Beach, Florida, Bond Counsel. Certain legal matters will be passed upon for the District by its counsel, Kutak Rock LLP, Tallahassee, Florida, and for the Underwriter by its counsel, GrayRobinson, P.A. Tampa, Florida. GrayRobinson, P.A. represents the Developer from time to time in matters unrelated to the Series 2025 Bonds. Dean, Mead, Egerton, Bloodworth, Capouano & Bozarth, P.A., Orlando, Florida, represents the Developer.

Bond Counsel's opinion included herein is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of delivery of the Series 2025 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

MISCELLANEOUS

Any statements made in this Limited Offering Memorandum involving matters of opinion or estimates, whether or not expressly so stated, are set forth as such and not as representations of fact, and no representations are made that any of the estimates will be realized.

The references herein to the Series 2025 Bonds and other documents referred to herein are brief summaries of certain provisions thereof. Such summaries do not purport to be complete and reference is made to such documents for full and complete statements of such provisions.

This Limited Offering Memorandum is submitted in connection with the limited offering of the Series 2025 Bonds and may not be reproduced or used, as a whole or in part, for any other purpose. This Limited Offering Memorandum is not to be construed as a contract with the purchaser or the Beneficial Owners of any of the Series 2025 Bonds.

In the event of such termination, the Issuer shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2025 Bonds in the form of fully registered Series 2025 Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2025 Bonds may be exchanged for an equal aggregate principal amount of Series 2025 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2025 Sinking Fund Account.” Moneys shall be deposited into the Series 2025 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2025 Reserve Account.” Proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2025 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2025 Bonds caused by investment earnings prior to the Completion Date to the Series 2025 Acquisition and Construction Account and after the Completion Date to the Series 2025 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the Issuer shall cause the District Manager, on behalf of the Issuer to calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2025 Reserve Account shall be transferred by the Trustee to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2025 Reserve Account as described below to the Series 2025 Acquisition and Construction Account and pay such amount deposited in the Series 2025 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit "C" submitted by the Developer which requisition shall be executed by the Issuer and the Consulting Engineer or the Person or Persons designated in a previously submitted properly executed requisition, all or a portion of which remains unfunded ("Unfunded Requisition"). Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account and the Trustee has on file one or more Unfunded Requisitions. In the event there are multiple Unfunded Requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no Unfunded Requisitions on file with the Trustee, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2025 Reserve Requirement, the Trustee shall without further direction reduce the Series 2025 Reserve Requirement to ten percent (10%) upon satisfaction of Release Conditions of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds as calculated by the District Manager. The excess amount in the Series 2025 Reserve Account as a result of satisfaction of the Release Conditions shall be transferred to the Series 2025 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the provisions of this First Supplemental Indenture, the District Manager, on behalf of the Issuer, shall

calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2025 Reserve Account toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2025 Bond Redemption Account” and within such Account, a “Series 2025 General Redemption Subaccount,” a “Series 2025 Optional Redemption Subaccount,” and a “Series 2025 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2025 Bonds, moneys to be deposited into the Series 2025 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2025 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account (including all earnings on investments held in such Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2025 Bonds equal to the amount of money transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2025 Rebate Fund designated as the “Series 2025 Rebate Fund.” Moneys shall be deposited into the Series 2025 Rebate Fund, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2025 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2025 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2025 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 202X, to the Series 2025 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, commencing May 1, 20XX which is a principal payment date for any Series 2025 Bonds, to the Series 2025 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2025 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2025 Revenue Account to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2025 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2025 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund , in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2025 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2025 Bonds, to execute and deliver the Indenture and to pledge the Series 2025 Pledged Revenues for the benefit of the Series 2025 Bonds to the extent set forth herein. The Series 2025 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2025 Bonds, except as otherwise permitted under the Master Indenture. The Series 2025 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2025 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. 2025 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2025 Bonds, the Issuer will promptly proceed to construct or acquire, pursuant to the Acquisition Agreement, the 2025 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of the Series 2025 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2025 Special Assessments may, at its option, or as a result of acceleration of the Series 2025 Special Assessments because of non-payment thereof or as a result of true-up payment, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2025 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2025 Special Assessment, which shall constitute Series 2025 Prepayment Principal, plus accrued interest to the next succeeding Quarterly Redemption Date (or the next succeeding Quarterly Redemption Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to the Series 2025 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2025 Reserve Account will exceed the Reserve Requirement for the Series 2025 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and Section 4.01(f) and the resulting redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) of this First Supplemental Indenture, the excess amount shall be transferred from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account as a credit against the Series 2025 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager on behalf of the Issuer upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2025 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2025 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2025 Bonds, there will be sufficient Series 2025 Pledged Revenues to pay the principal and interest, when due, on all Series 2025 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2025 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2025 Special Assessment has been paid in whole or in part and that such Series 2025 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2025 Prepayment Principal. The Trustee shall calculate the amount available for extraordinary mandatory redemption of the Series 2025 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days before each Quarterly Redemption Date and will withdraw money from the Series 2025 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the Issuer or the District Manager on behalf of the Issuer in accordance with Section 4.01(f) hereof and Section 4.05(a) hereof. No Series 2025 Reserve Account credit shall be given if as a result the Reserve Requirement shall be less than is required

after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2025 Revenue Account to round-up to the nearest integral multiple of \$5,000 and deposit such amount into the Series 2025 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2025 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2025 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2025 Special Assessments relating to the acquisition and construction of the 2025 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2025 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise, or the timing for using the Uniform Method will not yet allow for using such method. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2025 Special Assessments, and to levy the Series 2025 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2025 Bonds when due. All Series 2025 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2025 Accounts and subaccounts therein created hereunder.

Such covenant shall not prohibit the Issuer from issuing refunding Bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the District which secure the Series 2025 Special Assessments, until the Series 2025 Special Assessments are Substantially Absorbed. The Issuer’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Issuer shall provide the Trustee with a certification that the Series 2025 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments levied on the same lands subject to, the Series 2025 Special Assessments at any time upon the written consent of the Majority Holders.

SECTION 5.05. Acknowledgement Regarding Series 2025 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2025 Bonds are payable solely from the Series 2025 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Series 2025 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, (i) the Series 2025 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2025 Project or otherwise) without the consent of the Majority Holders, except to the extent that prior to the occurrence of an Event of Default, the Issuer had incurred a binding obligation with third parties for work on the 2025 Project and payment is for such work, and (ii) the Series 2025 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The Issuer covenants not to enter into any contract regarding the 2025 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at an extraordinary

mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date.

(i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account (taking into account the credit from the Series 2025 Reserve Account pursuant to Section 4.05 of the First Supplemental Indenture) following the Prepayment in whole or in part of Series 2025 Special Assessments on any assessable property within the District in accordance with the provisions of Section 4.05 of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2025 Funds, Accounts and Subaccounts in the Funds and Accounts (other than the Series 2025 Rebate Fund, the Series 2025 Costs of Issuance Account and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account not otherwise reserved to complete the 2025 Project (including any amounts transferred from the Series 2025 Reserve Account) all of which have been transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Except as otherwise provided in the Indenture, if less than all of the Bonds subject to redemption shall be called for redemption, the particular such Bonds or portions of such Bonds to be redeemed shall be selected randomly by the Trustee, as provided in the Indenture.

Notice of each redemption of the Bonds is required to be mailed by the Trustee by class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of the Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Trustee or the Paying Agent, all as provided in the Indenture, the Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Bonds or such portions thereof on such date, interest on such Bonds or such portions thereof so called for redemption shall cease to accrue, such Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Trustee or the Paying Agent. Further notice of redemption shall be given by the Trustee to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of

Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

The Issuer shall keep books for the registration of the Bonds at the designated corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.
